The illustrator:

[Ana Juan](#) is a Spanish illustrator, writer and painter, born in Valencia in 1961, whose books are published all over the world - Spain, United States, Japan etc. She is well acknowledged for her original, melancholic, romantic and sometimes merciless interpretation of reality and its stories. She is well known for her illustrations published in *El País* magazine and featured on the covers of the *New Yorker* magazine and of all Isabel Allende's novels.

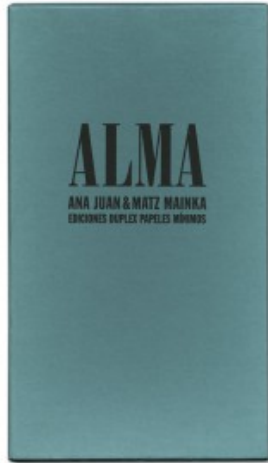

In 2010 she was awarded the **National Illustration Prize by the Spanish Ministry of Culture**.
