MANGA GIRLS

Il lettore troverà nelle pagine di questo libro una geniale successione di personaggi femminili di vario tipo. I disegni sono accompagnati da spiegazioni particolareggiate sul processo compositivo, dalla creazione delle prime bozze, della forma e del volume, fino a dettagli come l'anatomia, l'abbigliamento, l'uso della luce e del colore.

Layout Esquisse Form Vorn

The most important thing is to get the characters and proportions on the right surface. The feet are always there, so we can get the points of support and contact.

First establish the line, determine the shape, the position of the limbs, the length and width and the shape of the limbs.

Set the proportions in all the parts, the head, the torso, the limbs, the feet, the hands, the fingers, the toes, the ears, the nose, the mouth, the eyes, the hair, the accessories.

Adding volume Volume Volumen Volumen

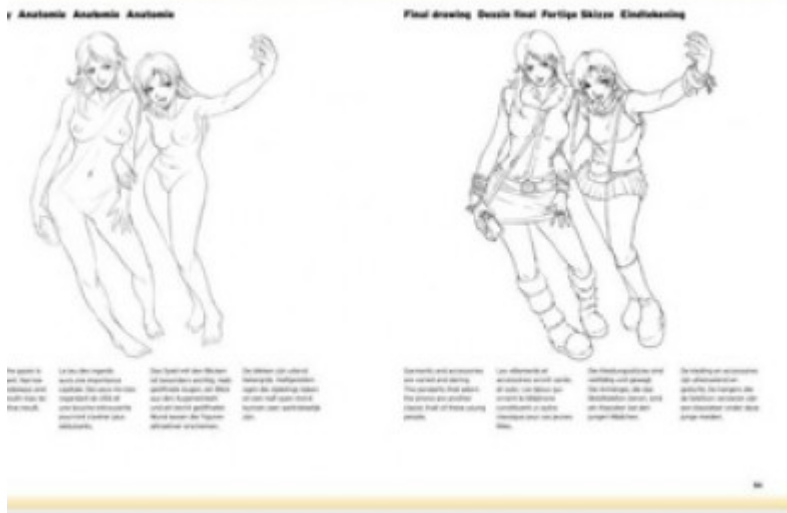

We must define the volume of the bodies of the girls, the shape of the limbs, the length and width and the shape of the limbs.

If we have more volume, we can define the shape of the limbs, the length and width and the shape of the limbs.

Remember the shape of the limbs, the length and width and the shape of the limbs.

We must define the volume of the bodies of the girls, the shape of the limbs, the length and width and the shape of the limbs.

Anatomic Anatomie Anatomie

We begin to define the anatomy of the girls, the shape of the limbs, the length and width and the shape of the limbs.

Let the girls' bodies be defined by the shape of the limbs, the length and width and the shape of the limbs.

Define the shape of the limbs, the length and width and the shape of the limbs.

Final drawing Dessin final Fertige Skizze Endfertigkeiting

Remember the shape of the limbs, the length and width and the shape of the limbs.

Define the shape of the limbs, the length and width and the shape of the limbs.

Remember the shape of the limbs, the length and width and the shape of the limbs.

Lighting Eclairage LIGHT LIGHT

The shadows and highlights define the volume of the girls, the shape of the limbs, the length and width and the shape of the limbs.

Let the girls' bodies be defined by the shape of the limbs, the length and width and the shape of the limbs.

Define the shape of the limbs, the length and width and the shape of the limbs.

Final color Couleur finale Endgültige Farbgebung Endfertig

Remember the shape of the limbs, the length and width and the shape of the limbs.

Define the shape of the limbs, the length and width and the shape of the limbs.

Remember the shape of the limbs, the length and width and the shape of the limbs.
